

# RAIL WORKERS Hazardous Material Training Program

Peer trainers dedicated to providing quality education & awareness of hazardous materials, empowering rail workers & communities.

## Rail Workers Hazardous Materials Training Program

The Rail Workers Hazardous Materials Training Program is funded by a federal grant from the National Institute of Environmental Health Sciences (NIEHS) to provide hazmat training to rail workers.

The IBT Rail Workers Hazmat Training Program was awarded funding to provide safety training to rail workers to increase their knowledge of the transportation of hazardous materials.

## The Rail Program will conduct the following courses virtually.

### 2-Hour Disaster Response/Recovery Course

- May 17, 2021 - 12:00pm Eastern Time

### 8-Hour DOT Hazardous Materials Awareness Course

(An incentive of \$175.00 is available to participants who take this course)

- May 19-May 20, 2021 – 10:00am-2:00pm Eastern Time (4 hours/per day...must attend both days)
- May 24-May 25, 2021 – 10:00am-2:00pm Eastern Time (4 hours/per day...must attend both days)

Classes will be added as needed.
