Date: January 19, 2010

Re: 2010 Earthquake in Haiti

Due to the recent earthquake in Haiti on January 12, 2010, the IBT Disaster Relief Fund is asking for your help. The IBT Disaster Relief Fund joins other Unions who have mobilized to support an international response and is committed to raising funds to support relief efforts.

The earthquake registered as a massive 7.0 has devastated Haiti. The loss of lives is extensive and is estimated to be in the tens of thousands. The damage to building structures is substantial and in some cases unsalvageable. The number of people in need of humanitarian assistance will not be determined until the extent of the damage is known.

Donations can be sent to:

Thank you, for your generosity in this effort.
