BROTHERHOOD OF MAINTENANCE OF WAY EMPLOYES DIVISION of the International Brotherhood of Teamsters

Penn Fed holds successful 23rd Convention

he BMWED Pennsylvania Federation held its 23rd Regular Quadrennial Convention August 6-8 in Atlantic City, N.J. The Penn Fed convened for two days, swearing in newly elected officers, conducting the membership's business, adopting bylaws and resolutions, and setting the federation's course for the next four years.

The convention was chaired by recently elected General Chairperson Anthony Sessa. BMWED Vice President and former Penn Fed General Chairperson, Jed Dodd, remarked "the torch has been passed to Anthony Sessa. Anthony Sessa is a man who lives the qualities of solidarity, sacrifice and love every day in our struggle for justice."

The delegation was addressed by numerous guest speakers including BMWED President Freddie N. Simpson and Secretary-Treasurer David D. Joynt, along with several other advocates of the Labor Movement. Several Pennsylvania Federation retirees spoke on the importance of being an active and proud Union member. Long-time Penn Fed Vice Chairperson George Davidson remarked to members and guests in attendance, "I am confident that this 132-year-old Union, with its affiliations with the Teamsters International Union, will continue to be a leader in the Union movement on America's railroads, as well as the other industries it represents. Our collective strength is in our ability to unite around the issues which are most important to us: healthcare, pensions, and wages, that will remain as priorities in our future contracts. Our priority is to stay focused, to support our Union leaders, and our members in Solidarity." The retirees were honored with resolutions passed on their behalf. Several retiring Vice Chairman, Executive Board members and staff were recognized for their service to the Union.

During the convention, the Brotherhood of Maintenance of Way Employes was honored and recognized by the City of Philadelphia for its work and fierce advocacy on Philadelphia's successful Fair Workweek Campaign. Vice President Jed Dodd explained, "There was a point in time in which this piece of legislation was in jeopardy, and they were

going to try and kill it in a committee hearing. The people who were supporting fair work week asked if we could provide some muscle for the demonstrations in the city council meeting. Mick Barrett from CRSF brought his people, Anthony Sessa from the Pennsylvania Federation brought his people, and

I am confident that this 132year-old Union will continue to be a leader in the Union movement on America's railroads.

President Simpson asked National Division people to attend the meeting as well. And those city council meeting people actually credit our militancy in that meeting with backing down the opponents of the Fair Workweek legislation and letting it get passed through city council." Through the Pennsylvania Federation's commitment to justice for Philadelphia families and workers, the BMWED played a critical role in making the idea of a Fair Workweek for the City of Philadelphia a reality.

All of those in attendance displayed union solidarity, conducted business with order and civility, and showed fellowship amongst their Union Brothers, Sisters, and their families. Congratulations to the Pennsylvania Federation and its newest officers.

System Officers:

General Chairperson: Anthony Sessa
Vice Chairperson District One: Thomas Wohanka
Vice Chairperson District Five: Mike Ragard
Vice Chairperson District Two: Gene Anirina, Sr.
Vice Chairperson District Three: Lydell Owens
Vice Chairperson District Four: Gene Anirina, Jr.
Vice Chairperson Eastern Region: Leonard Buchanan
Vice Chairperson Central Region: Heath Vezza
Vice Chairperson Western Region: Perry A. Rapier

Executive Board:

Eastern Region
Phil Kavanaugh
Garret Kistler
Steve Cianchetti

<u>Central Region</u> Nicholas Baker

Western Region
Mario Moreno

Allied Lodge 409 holds regular meeting

BMWED Allied Federation Local Lodge 409, out of Chicago, recently celebrated Brother Tyrone Hardin's retirement after 21 years of service. In attendance for the meeting and retirement celebration were:

Joe Monaco, Adrian Mata, Richard Hernandez, Eric Rozenich, Fernando Mendez, Aldo Zavala-Hernandez, Roberto Mendez, Richard Ward, Ryan Pajonk, Tyrone Hardin, Anthony Pena, Ron Pogose, James Millison, Eliott Nava-Padilla, Dan Casarez, Lee Jansma, Ramon Mata, and Allied Fed Vice Chairman Brian Thompson.

STYLIN' AROUND THE BROTHERHOOD

When Minnesota State Legislative Director and Burlington System
Division Joint Protective Board member Tom Steinbrenner worked
the DRIVE table at the Penn Fed Convention this summer, his
choice of shirts resulted in a coincidental wardrobe match with
both BMWED President Freddie Simpson and

Secretary-Treasurer David Joynt. The trio looked very stylish in their BMWED apparel (available online on the BMWED website).

General Counsel Bill Bon Retires

William A. Bon

William A. "Bill" Bon, longtime BMWED General Legal Counselor, retired this summer, ending a venerable and respected tenure as our Union's chief attorney.

Brother Bon was hired as BMWED General Counsel in 1987, following a short stint as a labor attorney at Gallon, Kalniz and Iorio in Toledo, Ohio. Prior to his role at the law firm, Brother Bon was the President of United Auto Workers Local 122 in Twinsburg, Ohio from 1984-1987.

In recent years, many BMWED members recognize Brother Bon for his educational presentations and guidance with the Internal Organizing department, many lectures centering around explaining the Railway Labor Act. His speeches on Dr. John R. Boyd, a United States military strategist and his theories and their relevance to the Labor Movement resonated with members.

In his 32-year career with the Brotherhood, Brother Bon worked as the sole attorney in the BMWED Legal Department, handling federal litigation at both the National Division and at the system division levels. He also participated at various times in national bargaining, presenting before Presidential Emergency Boards 219, 221, 222, 229, and 234.

Brother Bon was very proud of his Labor roots. His grandfathers were coal miners, his mother a grocery store cashier, his father a steel worker. Brother Bon was hired at Chrysler as a production worker at the Twinsburg stamping plant on July 5, 1976. While working full-time on the line, he completed his law school studies at the University of Akron and, in 1984, unseated the sitting president of UAW Local 122.

"Brother Bill was with us for a long time and our Brotherhood will forever retain the impression he made on its behalf," President Freddie N. Simpson said. "He remains a fighter for Labor, Unionism, democracy for the people and the dignity and power of workers near and far. We are a better Brotherhood for having him in it and I wish Brother Bill a long, healthy, and happy retirement."

Members of the BMWED Diversity Committee, the BMWED Women's Committee, and the Penn Fed's Women's Caucus attended the Teamsters Women's Conference this summer, representing our Union's women contingent proudly.

Along with participating in the general session, the group attended workshops and seminars where they gathered a wealth of knowledge concerning the ever-growing and evolving role of women in Organized Labor.

Former CRSF GC Ed Long Celebrates Retirement

T.J. Nemeth (left) and Ed Long (right)

The Brotherhood would like to send a belated happy retirement message to former Consolidated Rail System Federation General Chairman Ed Long. His respected tenure within the CRSF should not go without note, as Brother Ed spent 21 years as an officer representing and leading the CRSF rank-and-file.

Brother Long started as a trackman on the former Penn Central Railroad in Dunkirk Yard, N.Y. in 1974. In addition, he worked as a machine operator in both production and yard gangs stretching from New York to Ohio. He also spent time in the B&B department and a bridge repairman over the Cuyahoga River in Cleveland, Ohio.

A member of BMWED CRSF Local Lodge 482, Brother Ed was always involved with our Union, filling positions of Local Chairman and Secretary-Treasurer, before his election at the system level in 1997. Serving as a vice chairman for four terms, Brother Long was elected General Chairman in 2014.

Best wishes for a long and cherished retirement for Brother Long and his wife, Barbara, their three children, seven grandchildren, and their German Sheppard, Duke.

Secretary-Treasurer's REPORT

David D. Joynt

FEDERAL APPEALS COURT **RULES AGAINST BMWED** IN PHYSICAL TRACK INSPECTION DECISION

federal appeals court has ruled against the BMWED in our attempt to require BNSF to perform full visual human-conducted track inspections at the bare minimum requirement of FRA standards.

Judges from the U.S. Court of Appeals for the D.C. Circuit denied our petition against the FRA, allowing for BNSF to curtail physical track inspection to twice monthly in order to test new unmanned inspection technology.

Ruling on the BMWED's appeal, two judges maintained that the FRA's decision to grant BNSF a temporary suspension of the track safety standards described in 49 CFR § 213.233(c) "is necessary to the conduct of a ... test program," "is limited in scope and application to such relief as may be necessary to facilitate the conduct of the test program," and "is conditioned on the observance of standards sufficient to assure safety."

We disagree that reducing the frequency of physical track inspections by trained and qualified Track Inspectors is "necessary" to test the capabilities of machine track inspection equipment. We disagree that manually inspecting track twice monthly is sufficient to assure public safety. Just a few years ago, BNSF was boasting about its inspection and derailment prevention measures, making certain to note that the

company inspects "above the frequency required by the FRA," noting that the company inspected "key routes...four times per week and the busiest main lines are inspected daily."

Track inspectors not only take measurements, they assess a variety of interrelated track and right-of-way conditions and make judgments about the cumulative impact of all the conditions they observe; something the machines cannot do. And until the capabilities of the machines are actually evaluated, tracks will be inspected less frequently than is required by Federal track safety regulations.

As we noted publicly immediately following the decision, we want our members to track

A HELPING HAND

Financial Assistance for Families of Deceased Railway Employees

The John Edgar Thomson Foundation, established in 1882 and endowed by the will of Mr. Thomson, third President of the Pennsylvania Railroad, offers limited financial assistance to daughters of a deceased parent. The parent, regardless of gender, must have been in the active employ of a railroad in the United States at the time of death. The cause of death need not be work-related and the parent, while on the active role of the railroad, may have been receiving disability or sick leave benefits. Whatever grant is awarded usually serves to benefit all members of the family. Eligibility is dependent upon the daughter and surviving parent remaining unmarried.

The monthly allowance made under the grant may cover the period from infancy to age 18, under certain circumstances to age 24, to assist grantees who are pursuing higher educational goals. The Foundation also offers special health care benefits.

The funding for the work of the Foundation is completely independent of any railroad. It neither solicits nor receives funds from the public. Further information and applications may be obtained by writing to:

Linda Dezenski, Director

The John Edgar Thomson Foundation 201 S. Eighteenth Street, Suite 318 Philadelphia, Pennsylvania 19103 Telephone (215) 545-6083 (800) 888-1278 Fax (215) 545-5102

Hoffa: 2020 Presidential Candidates Must Share Vision for Labor

By Teamsters General President Jim Hoffa

he 2020 presidential election, now less than a year away, is arriving at a key moment in U.S. history. Workers, long the backbone of this nation, are falling behind because they've been ignored at the expense of corporations. Next November's vote is an opportunity to change that and pave a path to prosperity.

Preserve our hard-earned pension benefits; continue to protect our legally-guaranteed rights to bargain in good faith; and enact fair trade deals that take workers' issues under consideration.

Using that information, this union is training its members and sending them out on the campaign trail all across the country to get presidential contenders on the record about what they will do to fix pensions, strengthen collective bargaining and ensure fair trade.

The Teamsters have also gotten seven current presidential candidates thus far to do sit down interviews addressing those issues. And we've built a website —www.teamstersvote.com — where people can go and get answers directly from the mouths of the candidates themselves.

Our members can't be easily won. Their voices, and the voices of all American workers, must be heard. That is why we have asked all of the candidates, Democrats and Republicans, to make several serious commitments to receive consideration.

Besides sitting down for interviews, the Teamsters are asking candidates to sign our pledge to support legislation that protects pensions and retirement security, strengthens the ability of workers to join a union and establishes a new trade policy that protects

working people. Ten current Democratic presidential candidates have already signed.

It is not enough for candidates just to say that they stand with working people. The Teamsters will be inviting them to join us in action fighting on the front lines. The union has asked all candidates to partner with us in support of workers, whether at a strike line, an organizing committee meeting or any other true show of solidarity.

Candidates who fulfill all the requirements will be eligible to receive the Teamsters' support. Ahead of a union endorsement, the union leadership will poll membership and survey local union leadership. From there, the General Executive Board, at the recommendation of the general president will, or will not, make an endorsement.

This union is optimistic that those seeking the highest office in the land are ready to stand with workers.

Remembering Ernest Elwood "Ernie" Henry

rother Ernest Elwood Henry, of Winslow, Maine, passed away this past Nov. at the age of 92. Brother Ernie was a proud 44-year member of our Brotherhood in what is now the Northeast System Federation, beginning work in the B&B department of the Maine Central Railroad in 1944, retiring in 1987.

At the age of 17, he convinced his parents to grant permission for him to enlist in the U.S. Navy during World War II and proudly served his country for four years. In 1950, he married his wife Trudy, and the two embarked on a long life together in Winslow. They loved to travel and were proud to have visited all 50 states together.

We will miss our Brother and remember his service to our nation and his dedication to our Union. Our deepest and most sincere condolences go out to his family and friends.

Remembering Keith Whited

s many of you sadly know, we lost a Brother in a tragic work truck accident. Keith Whited, 40, of Castlewood, Va., was killed Sept. 25 following a traffic collision involving his Norfolk Southern fuel truck. Brother Keith had been employed with N.S. for 10 years and was a member of Affiliated System Federation Local Lodge 571.

Amongst his friends and Brothers on the railroad, Keith will be remembered fondly for his genuine kindness and friendly demeanor. A big sports fan, like many in the area, Brother Keith loved Virginia Tech football. He also enjoyed the outdoors, hunting and fishing, kayaking and his jeep. But most of all, Brother Keith loved his family. He was a proud husband, stepfather and he could not have been more pleased to brag about the newest addition to his life, his baby granddaughter, Penny, who he bragged and gushed about daily.

Our Brotherhood will greatly miss Keith Edward Whited, and our deepest and most sincere condolences go out to his wife, Stephanie, and his stepsons, Codey and Justin, and all of his friends on the railroad.

Secretary-Treasurer Report

CONTINUED FROM ON PAGE 11

inspect. It is our work, we are the best at it, and our professionalism is in the public's best interest. BMWED members are the most-qualified and most-skilled railroad track inspectors and their expertise should not be subverted by an unproven and experimental technology.

The BMWED wants American railroads to be safe. To have a set of human eyes inspect for defects. To know that the train your friend or family member is riding on won't derail or the tankers that are pulling through your neighborhood will stay upright. We want a person, trained and personally-familiar with their section of the railroad, responsible for keeping us safe.

Every bit of this process reeks of its true intentions: using technology to replace skilled workers to boost corporate profits. It's not about advancing rail safety – it's about making money. This administration promised to bring back jobs. Yet its FRA and appointees to federal court can't even retain the ones we have. If you want to determine if the technology works, it should be done as a supplemental inspection and followed closely and frequently by BMWED member professionals, who know their assigned track like the back of their hand. This is a bad decision for rail workers and a bad decision for the country at large. We are and will remain in opposition of this decision.

> - David D. Joynt, Secretary-Treasurer

James R. Hoffa Memorial Scholarship

Freddie N. Simpson, BMWED President

Brothers and Sisters nationwide stood with United Auto Workers members on strike at General Motors early this fall. Their fight against GM's greed was and is our fight too. It is every working persons' battle, because without the gumption and courage shown by strikers, corporations would bleed labor dry.

Sadly, this is not a new struggle. The UAW has struck GM before. In 1937, newly-formed union workers walked out of GM factories in Flint, Michigan over brutally unfair workplace practices and low wages. But the company wasn't sitting idly by. GM appealed to the police, who responded with predictable force. They arrived at Fisher Plant No. 2 on January 11 with guns and tear gas. They hurled the tear gas into the barricaded plant, and fired bullets at every moving shape they laid eyes on.

But the occupying strikers were both militant and clever: they had covered the windows with metal sheets and punched holes in them, through which they poked the nozzles of fire hoses. They stood off against the police for six hours, and while fourteen

strikers were injured, the police eventually withdrew. And eventually, the Union workers prevailed.

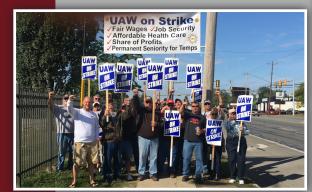

Since then, there have been other strikes between the UAW and the Big Three automakers. It always boils down to the same, tired, despicable root. Companies attempting to squeeze every last cent of profit out of the laborers' work.

Always remember that GM CEO Mary Barra makes \$22 million annually. Remember that the UAW simply wanted GM to hire its employees and not just bring them on – permanently – as temps. They wanted affordable health insurance to stay affordable. They wanted a piece of the record-setting corporate tax decreases to trickle down to the assembly line workers. They wanted fairness.

The BMWED commends our brethren at the UAW for their successful strike action. Their fight is our fight. Stay strong, brothers and sisters.

- Freddie N. Simpson, President

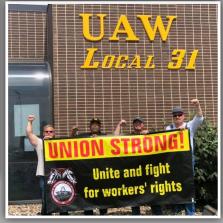

They wanted affordable health insurance to stay affordable... tax decreases to trickle down to the assembly line workers.

A Reminder of Holiday Events

If you are a furloughed employee of a railroad covered by the U.S. National Agreement with at least 60 days of seniority or 60 calendar days of continuous service preceding a covered holiday, and if you had compensation paid by the carrier credited to 11 or more of the 30 calendar days immediately preceding the holiday, you may be entitled to pay for that holiday even though you are furloughed.

See What's Coming Up For

BMWED

 Jan. 15, 2020: Deadline to complete BMWED scholarship applications is January 15, 2020 (applications available at bmwe.org) The following system/divisions of the BMWED will hold their quadrennial conventions in the year 2020:

The Burlington Northern System Federation
The Burlington System Division

The Allied Federation

The Illinois Central Gulf Federation

(check with your system officer for dates as they are announced)

BMWED DIVISION THE JOURNAL

September-October 2019 Volume 1 • Number 3

Freddie N. Simpson President and Editor

> David D. Joynt Secretary-Treasurer

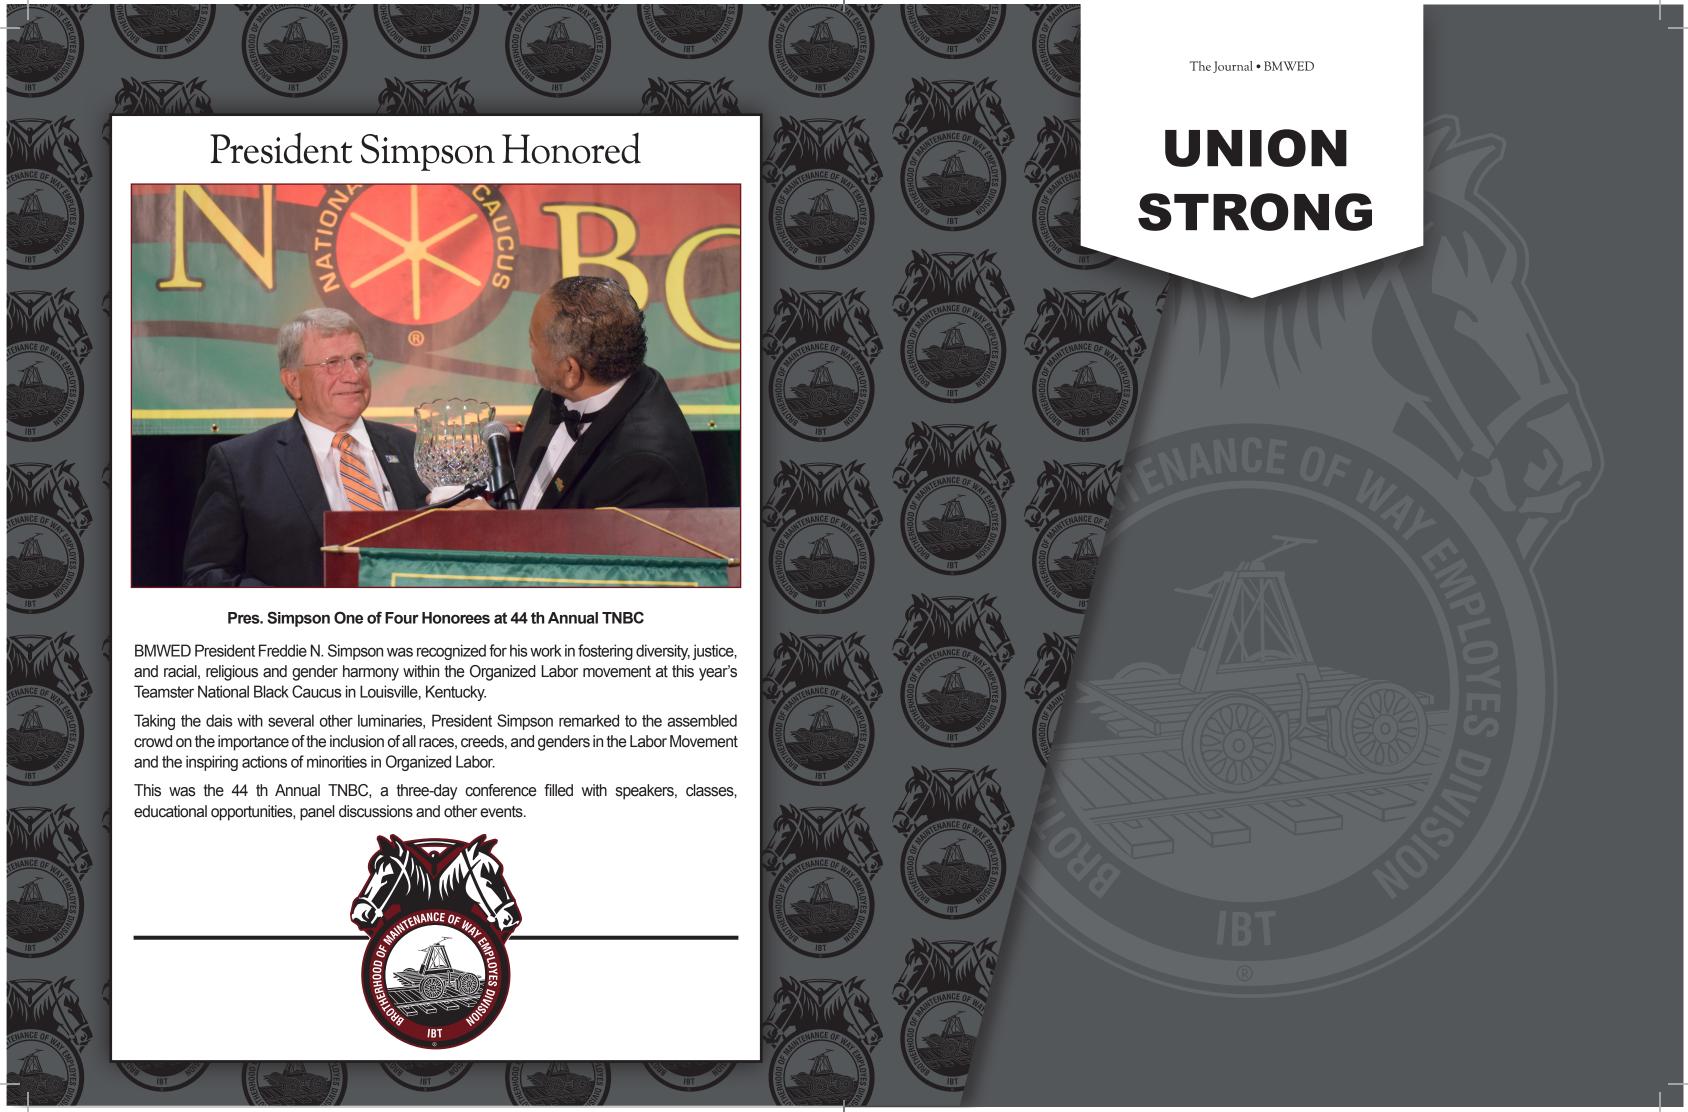

C. Clark Ballew Associate Editor

The BWMED Journal (ISSN 1049-3921/USPS 067460) is published quarterly - 4 times annually at 41475 Gardenbrook Road, Novi, MI 48375-1328. Periodicals postage paid at Southfield, Michigan and additional mailing offices.

ATTENTION POSTMASTER Send address changes to BMWED, 41475 Gardenbrook Road, Novi, Michigan 48735-1328.

Subscription Price: U.S. and Canada - \$20.00 (U.S.) per year, in advance.

BMWED Advanced Officer Training

26

Brotherhood of Maintenance of Way Employes members convened in Hendersonville, Tenn. this fall for Advanced Officer Training, our Union's flagship educational program. Participants in the classes hail from several different federations and railroads. They are chosen because they exhibited ambition, drive, a willingness to get involved and learn, and an aspiration to help their fellow brothers and sisters both back home and nationwide. Many of the participants hold an office within their local lodges, or aspire to do so in the future.

Congrats to the newest Advanced
Officer Training graduates!

During Advanced Officer Training, BMWED members learn, train, discuss and educate themselves on various different Union topics and roles. Classes on the Railway Labor Act and its relevancy and influence on the

collective bargaining process are held, as well as lessons on rail labor and American labor history. Participants are encouraged to take on advanced roles within their respective lodges, to get involved legislatively at the local, state and federal level, to join our Communication Action Team as a Front Line Communicator, and to actively participate in promoting labor and workers nationally.

Among all the curriculum, perhaps the most strenuous and eye-opening is the mock disciplinary hearing, where class participants take on the role of BMWED representative, charged with defending a reprimanded BMWED member. It is a thought-provoking and mentally-challenging exhibition that culminates the entire two weeks and is always the highlight of every class.

A big thank you to all of this session's participants – for leaving your home and family for two weeks to better your knowledge of the Brotherhood. Your desire to become involved is invigorating and we enjoyed hosting you in Tennessee. Solidarity forever!

RAILROAD RETIREMENT BENEFITS WILL INCREASE IN 2020

ost railroad retirement annuities, like social security benefits, will increase in January 2020 due to a rise in the Consumer Price Index (CPI) from the third quarter of 2018 to the corresponding period of the current year.

Cost-of-living increases are calculated in both the tier I and tier II benefits included in a railroad retirement annuity. Tier I benefits, like social security benefits, will increase by 1.6 percent, which is the percentage of the CPI rise. Tier II benefits will go up by 0.5 percent, which is 32.5 percent of the CPI increase. Vested dual benefit payments and supplemental annuities also paid by the Railroad Retirement Board (RRB) are not adjusted for the CPI change.

In January 2020, the average regular railroad retirement employee annuity will increase \$36 a month to \$2,875 and the average of combined benefits for an employee and spouse will increase \$50 a month to \$4,174. For those aged widow(er)s eligible for an increase, the average annuity will increase \$20 a month to \$1,428. However, widow(er) s whose annuities are being paid under the Railroad Retirement and Survivors' Improvement Act of 2001 will not receive annual cost-of-living adjustments until their annuity amount is exceeded by the amount that would have been paid under prior law, counting all interim cost-of-living increases otherwise payable. Almost 52 percent of the widow(er)s on the RRB's rolls are being paid under the 2001 law.

If a railroad retirement or survivor annuitant also receives a social security or other government benefit, such as a public service

pension, any cost-of-living increase in that benefit will offset the increased tier I benefit. However, tier II cost-of-living increases are not reduced by increases in other government benefits. If a widow(er) whose annuity is being paid under the 2001 law is also entitled to an increased government benefit, her or his railroad retirement survivor annuity may decrease.

However, the total amount of the combined railroad retirement widow(er)'s annuity and other government benefits will not be less than the total payable before the cost-of-living increase and any increase in Medicare premium deductions.

the average regular railroad retirement employee annuity will increase \$36 a month to \$2,875 and the average of combined benefits for an employee and spouse will increase \$50 a month to \$4,174.

The cost-of-living increase follows a tier I increase of 2.8 percent in January 2019, which had been the largest in 7 years. The Centers for Medicare and Medicaid Services will announce Medicare Part B premiums for 2020 later this year, and this information is available at www.medicare.gov.

In late December the RRB will mail notices to all annuitants providing a breakdown of the annuity rates payable to them in January 2020.

Mandatory Electronic Filing of DOL Report Forms LM-3 and LM-4 REMINDER

The U.S. Department of Labor has made Electronic Filing of Forms LM3 and LM-4, Labor Organization Annual Reports, MANDATORY beginning April 1, 2018. As of that date, the Department of Labor will no longer accept paper reports. All LM reports filed by local lodges will also need to be signed electronically by the Lodge Secretary-Treasurer and President. If one or both of those positions in the lodge are vacant, another lodge officer(s) will need to sign the report electronically. To sign a report electronically, you must first obtain a Username and Password on the Department of Labor website. The Username and Password that you obtain will not expire and will remain in effect as long as you are a lodge officer.

At this time, we are requesting that all Lodge Secretary / Treasurers and Presidents go to the Department of Labor website and obtain their Username and Password if they have not done so already. Go to www.olms.dol.gov. Click on "Electronic Forms System (EFS)" in the "OLMS Highlights" section and proceed to "Access the OLMS EFS". Click on "Register for an EFS User ID and Password" and follow the instructions

Do not obtain a Union Pin at this time. Be sure to keep your Usernames and Passwords in a safe place so that they are available when it is time to sign the LM report. If you wish to provide your Username and Password to National Division Headquarters, we will keep them on file in case they are lost or misplaced. A copy of the form shown below will be provided by regular mail to all lodge Secretary-Treasurers in early April.

Simply fill in the blanks and forward the form to National Division either by regular mail, fax: (248) 662-2659 or email: cwalker@bmwe.org. You can obtain a copy of this form by calling National Division Headquarters at (248) 662-2625 or cwalker@bmwe.org. If you should need any assistance in obtaining your Username and Password, please don't hesitate to contact National Division Auditor Joe Corley at (248) 662-2611 or Audit Clerk Candy Walker at (248) 662-2625.
