

Checking on Membership Standing Using bmwe.org

Our Lodge officers should determine the standing of members, whether it is Good Standing to vote or Continuous Good Standing to run for and hold elected officer, prior to their Lodge's nomination or election meeting!

Lodge Presidents and Secretary-Treasurers can generate a report through the Membership Service application on bmwe.org that shows the 24-month dues history of each member in their Lodge. Reviewing this report prior to the nomination or election meeting will allow Lodge officers to determine who is eligible to conduct Lodge business, run for a Lodge office, or hold an elected position within our union.

If any member feels the report generated is in error, they should reach out to their System Division or Federation for assistance. They can also contact the National Division Secretary-Treasurer's Department for more information on their dues history.

Only those members in Good Standing can cast a vote in their Lodge's elections. Dues in arrears should be paid or, if a dispensation is required, such dispensation should be requested by the member to the National Division Secretary-Treasurer.

Only members in Continuous Good Standing can run for or hold elected office within our union.

The following pages offer a step-by-step guidance on how to generate a 24-month dues history report for Lodge members.

A Triple-dashed line (---) indicates no dues were collected in that month for that member. FD indicates Full Dues were collected. Other codes may display.

Your Lodge's report will list your Active Members' Address, their current Status with BMWED, and their 24-month dues history. Review this report for accuracy and to determine if your members meet the **Good Standing** requirements within our BMWED Bylaws or our **Continuous Good Standing** requirements within the BMWED/IBT Merger Agreement.

Understanding Codes in 24 Month Inquiry

The 24-month report you generate from bmwe.org may list a variety of codes pertaining to your members' dues histories.

For the purposes of determining Good Standing or Continuous Good Standing, you want to look for the following codes:

FD – Full Dues are paid for that month.

UD – Non-working Dues are paid for that month.

A triple dashed line (---) indicates no dues are on record for that month. Any member with a “---” in the 24 months prior to your Lodge's nomination or election meeting does **NOT** have Continuous Good Standing and is ineligible to run for or hold elected office.

Some codes may indicate a late payment of dues (LF, LU). These will also affect any member's Continuous Good Standing, which requires timely payment of all dues. If there is an error in these records, the member should contact their System Division or Federation and the National Division Secretary-Treasurer's Department.

If the code “OF” is listed, that indicates a Seniority Retention Fee and **does not count** toward maintaining Good Standing or Continuous Good Standing.

If you have questions regarding any other codes, please contact your System Division, Federation, or the National Division Secretary-Treasurer's Department.
