RE: BMWED - IBT IN THE FOREFRONT OF RAIL LABOR

(REAFFIRMED)

WHEREAS, The ongoing and future contract negotiations are of the utmost importance to the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters; and

WHEREAS, It is important that the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters be the leading participant in rail labor's struggle for full employment, fair wages and dignity on the job; Therefore, be it

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters go on record to request the National Division President to take all reasonable steps to ensure that the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters will be in the forefront of the rail labor unions on issues of full employment, fair wages and dignity on the job.

RESOLUTION NO. 2

RE: ARTICLE XIX - CONTRACT APPROVAL

(REAFFIRMED)

WHEREAS, Article XIX, Section 9 of the National Division Bylaws restricts a system from beginning negotiations with railway officials until the schedule to be negotiated has been presented to and approved by the National Division President or his designated representative; and

WHEREAS, Article XIX, Section 14 states that it shall be the policy of the Brotherhood to establish uniform basic rules and rates of pay for members performing comparable work; and

WHEREAS, Article III, Section 8 of the National Division Bylaws states that the National Division President shall have the power to suspend from office any National Division or system division or federation officer who, without having obtained the President's permission, deviates from any uniform wages or rules and working conditions policy that has been or shall be established; and

WHEREAS, The general chairmen, on a day-to-day basis, have contact with carrier officers; and

WHEREAS, Many times the carrier or the Organization wishes to discuss changes in wages, rules and working conditions; and

WHEREAS, Sometimes it would be beneficial to the members we represent if we could initial an agreement at that time if the system division or federation officer only knew what the National Division policy was on wages, rules and working conditions; Therefore, be it

RESOLVED, That National Division continue its policy concerning wages, rules and working conditions; and, be it further

RESOLVED, That such policy and any changes in such policy be distributed to each general chairman; and, be it further

RESOLVED, That a system division or federation can negotiate with carrier officers without first getting National Division approval concerning changes in wages, rules and working conditions so long as those negotiations do not involve changes in wages, rules and working conditions below the standard set by National Division; and, be it further

RESOLVED, That if such negotiations result in a tentative agreement with the carrier, that the general chairman will be authorized to initial such agreement pending the approval of the National Division President or his authorized representative.

RESOLUTION NO. 3

RE: HONORING OF UNION PICKET LINES

(REAFFIRMED)

WHEREAS, The members of the Brotherhood recognize that only through solidarity with their sister unions can we expect to prevail in our just demands with the railroads; and

WHEREAS, The primary method to show solidarity with other railway unions is to respect and honor their picket lines; and

WHEREAS, The Brotherhood can instruct a member to respect and honor the picket lines of another union subject to prevailing law. The Brotherhood can and must encourage each of its members to respect and honor the picket lines of another union; Therefore, be it

RESOLVED, That it shall be the policy of the Brotherhood to honor the picket lines of unions on strike. For clarification, the Brotherhood considers all locations on the lines of a railroad to be picketed where such lawful strike action has been taken by a union whether or not a picket sign is physically present; and, be it further

RESOLVED, That it shall also be the policy of this Brotherhood to represent, to the best of our ability and means, any member of our Brotherhood who has been subjected to any disciplinary action by a carrier as a direct result of having voluntarily honored a union's picket line; and, be it further

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters reaffirm this policy of honoring picket lines when a sister union is on strike.

RESOLUTION NO. 4

RE: UNEMPLOYMENT BENEFITS

(REAFFIRMED)

WHEREAS, Members of our Organization drawing unemployment benefits are faced with the continued rise in the cost of living; and

WHEREAS, The present daily benefits thereof are not sufficient to meet today's high cost of living; and

WHEREAS, The continued rise in inflation has placed extreme hardships on our members; Therefore, be it;

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters go on record requesting that said daily benefits be increased to the amount consistent with the current cost of living; and, be it further

RESOLUTION NO. 5

RE: RAILROAD EMPLOYEES' MEDICAL RECORDS

(REAFFIRMED)

WHEREAS, Railroad employees do not pay into state workers' compensation funds;
and

WHEREAS, Railroad employees are ineligible for state workers' compensation
benefits; and

WHEREAS, State workers' compensation acts provide that an employee receiving
workers' compensation benefits automatically grants release of confidential medical
information concerning his/her injury to his/her employer as a condition of receiving
benefits; and

WHEREAS, The Railroad Unemployment Insurance Act does not require such
medical disclosure to the railroad employer as a condition of receiving Railroad Sickness
Benefits; and

WHEREAS, The Federal Employers' Liability Act provides railroad employers with
unlimited liability for job-related injuries to railroad employees; and

WHEREAS, Medical practitioners, clinics and hospitals rarely understand the
differences between medical information release requirements of the job-related injury
compensation programs for non-railroad and railroad employees; and

WHEREAS, Railroad claims agents frequently illegally obtain confidential medical
information about injured railroad employees by knowingly and falsely asserting to the
medical care providers that the injured railroad employee is covered by the information
release provisions of state Workers' Compensation Acts; Therefore, be it

RESOLVED, That the delegates of the Second Regular National Division Convention
of the Brotherhood of Maintenance of Way Employees Division of the International
Brotherhood of Teamsters go on record instructing BMWED - IBT-endorsed State
Representatives and Senators to introduce and/or support legislation requiring:

1. All licensed medical practitioners, clinics, hospitals and other medical facilities to carry out a program to educate all of their employees with access to medical records that railroad employees are not covered by the Workers' Compensation Acts and that medical information cannot be released without the written consent of that employee.
2. Automatic suspension or revocation of the operating license(s) of any medical practitioner, clinic, hospital or medical facility which releases any medical records of any railroad employee to his/her employer or that employer's agent without the employee's prior written consent.
3. Immediate notification of the railroad employee affected at his/her last known address of the identity of any individual or corporation to whom his/her medical records, or any portion thereof, are released.
4. Felony penalties including mandatory minimum prison sentence for any railroad employer's officer or agent who attempts to obtain any portion of any other railroad employee's medical records by asserting that he is acting under state workers' compensation statutes and/or that the employee whose records are being requested is covered by state workers' compensation benefits.
5. Any medical practitioner, clinic, hospital or other medical facility to immediately notify the State Attorney General of any request made for any portion of any railroad employee's medical records under the pretense of workers' compensation coverage to allow prompt investigation and prosecution by the appropriate enforcement agency.

RESOLUTION NO. 6

RE: INSURANCE - FURLOUGHED EMPLOYEES

(REAFFIRMED)

WHEREAS, Furloughed employees lose their health insurance and other benefits after four months of furlough; and

WHEREAS, These employees are least able to afford to pay the premiums to continue coverage through their furlough period; Therefore, be it

RESOLVED, That the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters attempt to negotiate a contract to continue insurance benefits to all furloughed employees holding seniority under a BMWED - IBT Agreement.

RESOLUTION NO. 7

RE: CONTRACTORS TO PAY RAILROAD RETIREMENT TAXES

(REAFFIRMED)

WHEREAS, Thousands of our members have lost their jobs on account of contractors performing Maintenance of Way duties and are unable to continue to provide a decent standard of living for themselves and their families; and

WHEREAS, The contractor's forces are not required to pay into the Railroad Retirement system; and

WHEREAS, The National Carriers Conference Committee has announced through past Section 6 notices that they have a work exit strategy to eliminate the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters' forces; Therefore, be it

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters instruct the National Division President and the IBT General President to do everything possible in order to see that all contractors and their employees are required to pay into the Railroad Retirement system.

RESOLUTION NO. 8

RE: SHORT LINES

(REAFFIRMED)

WHEREAS, The Staggers Act deregulating the railroad industry was passed with the support of rail labor; and

WHEREAS, The Surface Transportation Board (STB) has chosen to reinterpret the Staggers Act to permit carriers to divest themselves of property to newly formed carriers without paying protective benefits which have historically been required under the Interstate Commerce Act; and

WHEREAS, Carriers across the United States are taking advantage of this new interpretation of the Interstate Commerce Act by divesting themselves of property to newly formed carriers, causing our Brothers and Sisters to lose jobs or be transferred to the new carrier at reduced pay and benefits and without union representation; Therefore, be it

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters go on record requesting the National Division President and all system division and federation general chairmen to negotiate agreements to provide any active, furloughed or transferred employee with a successorship agreement and a protective agreement which minimizes the adverse affect of such transactions.

RESOLUTION NO. 9

RE: JOB STABILIZATION

(REAFFIRMED)

WHEREAS, The drastic reduction in Maintenance of Way forces on railroads and relocation of employees is a matter of grave concern to our Brotherhood because of the unsettling effects that they have on our members, as well as the resultant reduction in employment levels; Therefore, be it

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters reaffirm our desire to secure improved protection for Maintenance of Way employees, not only for the benefit of the individual employee, but also for the well-being of rail transportation in the United States; and, be it further

RESOLVED, That we direct our National Division and system officers to do everything within their power to secure the jobs of the Brotherhood's members through the negotiation of improved agreements and inclusion of proper safeguards in appropriate laws.

RESOLUTION NO. 10

RE: FEDERAL EMPLOYERS' LIABILITY ACT

(REAFFIRMED AS AMENDED)

WHEREAS, The Nation's railroads have initiated a assault to repeal the Federal Employers' Liability Act (F.E.L.A.); and

WHEREAS, Through the carriers' efforts, many of our Nation's Senators and Representatives have been led to believe that an inferior state no-fault workers' compensation should replace F.E.L.A.; and

WHEREAS, With the help of many of our elected friends of labor in both the House and Senate, and the superior efforts of our appointed law firms; Therefore, be it

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters commend and encourage our elected friends and legal firms for their untiring and continuing efforts to protect and preserve F.E.L.A.; and, be it further

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters pledge our support to our law firms and elected officials by continuing to contact and write all of the Senators and Representatives who believe that FELA should be repealed; and, be it further

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters go on record empowering our National Division President to join our elected friends and F.E.L.A. firms in protecting rail labor's F.E.L.A. rights.

RESOLUTION NO. 11

RE: F.E.L.A. EVALUATION FORM

(REAFFIRMED)

WHEREAS, At times our members experience on-the-job injuries and at times even fatalities and, as a result, these members or their survivors have cause to seek out legal counsel for recovery under the auspices of F.E.L.A.; and

WHEREAS, It is the desire of the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters to provide its membership with a list of designated and approved names of law firms for their use if they so desire; and

WHEREAS, To insure that when any member does utilize a legal firm included on such list for that purpose, they will continue to receive the utmost professional, courteous and responsive legal assistance at the most reasonable fee allowable in a consistent manner coast to coast; Therefore, be it

RESOLVED, That each BMWED - IBT-designated and approved law firm provide, to each and every Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters member or their survivors retaining same, an approved form on the date the retainer agreement is signed for the purpose of personally evaluating that firm's legal assistance and service to such member or their survivors during the handling of that member's legal case; and, be it further

RESOLVED, That such approved form shall be completed at the conclusion of such member's legal case by such member or their survivors and mailed to National Division, with a copy to the respective general chairman, and that National Division shall retain and file such evaluations by corresponding approved law firms. Such file to be reviewed annually by the National Division Executive Board to determine if the members' or their survivors' evaluations deem that legal firm's assistance and representation as acceptable, and if any emerging pattern to the contrary exists, appropriate action will be undertaken; and, be it further

RESOLVED, Such form shall be clearly and explicitly spelled out that such member or their survivors do not, if at all possible, refer to such monetary settlement award, as such evaluation does not concern itself with that matter.

RESOLUTION NO. 12

RE: NON-DESIGNATED LAW FIRMS

(REAFFIRMED)

WHEREAS, It has long been the policy of this Brotherhood to select reputable law firms of high standards to represent this Organization and its members; and

WHEREAS, These law firms have always been welcome to attend Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters' meetings such as National Division Conventions, National Association meetings, Regional Association meetings and other National Division-sponsored functions; and

WHEREAS, In recent times, representatives of other law firms who are not recognized as appointed legal counsel and who were not invited by National Division Officers of this Brotherhood are showing up at some of the scheduled aforementioned functions, sponsoring hospitality rooms and attending Brotherhood receptions; Therefore, be it

RESOLVED, That any uninvited firms or representatives of non-designated firms who willfully attend said functions without invitation from the National Division President or his designated representatives will cause their firms to not be considered now or in any future time for appointment to represent this Brotherhood and its members.

RESOLUTION NO. 13

RE: DESIGNATED (F.E.L.A.) COUNSEL

(REAFFIRMED)

WHEREAS, The United States Supreme Court has recognized the compelling need and constitutional right of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters to protect our members' rights under the Federal Employers' Liability Act and related statutes by, among other things, establishing legal aid programs to advise workers who are injured to obtain legal advice and to recommend specific lawyers; and

WHEREAS, The membership relies on its elected officers to administer this constitutionally protected legal aid program and to advise members how to seek and retain competent and fair legal counsel having demonstrated expertise in these matters; and

WHEREAS, The Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters has exercised its constitutional right to provide its injured members such advice and specific recommendations by creating a system of designated legal counsel committed to our members' best interest and who faithfully maintain and carry out the Brotherhood's legal aid program by:

(a) Explicitly agreeing to participate in this constitutionally protected professional relationship pursuant to Brotherhood standards of fairness and accountability;

(b) Demonstrating continuing proven expertise in the complex statutory protection embodied in F.E.L.A.;

(c) Agreeing to charge reasonable fees, keep necessary expenses to a minimum, and to provide free advice to any member regarding his or her injury;

(d) Actively supporting and participating in Brotherhood conferences, legislative activities, education/training programs and other lodge meetings or activities as requested by Brotherhood Officers; and

WHEREAS, The United States Supreme Court has also declared that lawyers accepting employment within our designated counsel system also share the Brotherhood's

constitutional right and protection in carrying out the Brotherhood's plan for contacting and advising injured workers to obtain legal advice and to recommend specific Brotherhood-approved lawyers; and

WHEREAS, The Brotherhood has a compelling need and interest in strengthening the protective benefits of the designated counsel system and eliminating the possibility of mistaken impressions harmful to our legal aid program; and

WHEREAS, Allowing non-designated legal counsel to be present or participate before, during or after any sanctioned union activity, meeting, or function would breach the constitutionally protected professional relationship established between the Brotherhood, its members, and designated legal counsel; and would also mislead members who may mistakenly believe that non-designated legal counsel are approved by the Brotherhood and share the same relationship and commitment to the Brotherhood as designated legal counsel as outlined above; Therefore, be it

RESOLVED, That it shall be the policy of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters that only properly designated legal counsel and their authorized representatives be invited to participate in or otherwise be present before, during or after meetings, social activities or other functions of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters National Division, system divisions/federations, or subordinate lodges; and, be it further

RESOLVED, That it shall also be the policy of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters that, along with Brotherhood Officers themselves, only designated legal counsel, or their staff, be authorized by the Brotherhood to initiate contact with any member who may require information concerning the advisability of obtaining legal advice, or advice recommending specific lawyers employed within this constitutionally protected legal aid program.

RESOLUTION NO. 16

RE: WORK SEASON

(REAFFIRMED)

WHEREAS, Many of our members are employed seasonally; and

WHEREAS, Much of their seasonal work could be performed over a longer work season; and

WHEREAS, A longer work season would help our members accumulate more months of service for step rate increases, and extended employment benefits; and

WHEREAS, A shorter standard work week would allow our members more time off while serving to extend the work season; Therefore, be it

RESOLVED, That the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters attempt to negotiate a shorter standard work week with no reduction in pay.

RESOLUTION NO. 17

If just one life is saved in making "Operation Lifesaver" presentations, then the time spent is well worth it.

RESOLUTION NO. 18

RE: NEW POSITIONS AND VACANCIES - NATIONAL DIVISION

(REAFFIRMED AS AMENDED)

WHEREAS, It is the wishes of the delegates assembled at this Second Regular National Division Convention to reaffirm Resolution No. 23 of the 43rd Grand Lodge Convention regarding the advertising of jobs at National Division; Therefore, be it

RESOLVED, By the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters, that all new positions and vacancies, except those subject to reappointment of the current employee and those not covered by the election process of our Constitution, be advertised in the *BMWED Journal* and on the BMWED Website so that our membership who wish to apply for these jobs may do so.

RESOLUTION NO. 19

RE: NATIONAL WORKER'S MEMORIAL

(REAFFIRMED AS AMENDED)

WHEREAS, Railroad and industrial management has adopted oppressive cost-cutting measures in the industry that has brutalized working conditions for BMWED members and has resulted in tremendous profits for the owners and the overpaid managers; and

WHEREAS, This downsizing has resulted in management creating working conditions and work procedures with the cooperation of their allies in the government regulatory agencies, particularly with the FRA which have left scores of hard-working BMWED members dead since 1988 in the United States and Canada, and many more mutilated; and

WHEREAS, The sweat and blood which our members have spilled on the railroad tracks to create a life for themselves and their families is directly related to the corporate greed of the owners and the bonus-hungry railroad managers; and

WHEREAS, This slaughter is responded to by railroad management with a callous disregard to the truth of this situation, which results in railroad management defrauding and insulting our dead and mutilated Brothers and Sisters and responding to the situation; and

WHEREAS, Our Union will not permit the further insults of management to continue; Therefore, be it

RESOLVED, That the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters institute a system of honoring and recognizing those members of our Union who lost their lives in the line of duty in FRA reportable accidents; and, be it further

RESOLVED, That their contributions and sacrifice to our Brotherhood be acknowledged and that their families are made aware of our appreciation with a permanent reminder for them in the form of a memorial brick, purchased by the National

Division and engraved with the name and Lodge number of their loved one, to be permanently enshrined in the National Workers Memorial, a new monument to fallen workers on the grounds of the National Labor College in Silver Spring, MD; and, be it further

RESOLVED, That the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters present to the families of all Brothers and Sisters who were members and lost their lives on the job since January 1, 2010, an official certificate documenting the location and placement of a memorial brick in their loved ones honor; and, be it further

RESOLUTION NO. 20

RE: THE VETERANS' PLEDGE

(REAFFIRMED AS AMENDED)

WHEREAS, A fundamental principle in representative democracy holds that the people elected representatives must be permitted to advance the legislative preferences of their constituents; and

WHEREAS, The House Rules Committee, which serves the House by framing debate on legislation when bills are taken up on the House floor, is always bypassed in Veterans' Affairs; and

WHEREAS, All bills emerging from the House Veterans' Affairs Committee are exempt from floor amendment because they are treated as non-controversial and placed on the Suspension of the Rules Calendar; and

WHEREAS, There are very few members of the House who sit on the Veterans' Affairs Committee, leaving the majority of House members with virtually no opportunity to advance the legislative interests of their veteran constituents on the House floor; and

WHEREAS, The cost of each veteran bill is very expensive, and the VA budget is in the billions; and

RESOLUTION NO. 26

RE: S.T.B. AUTHORIZATION: REFORMS TO PROTECT WORKERS AND THE PUBLIC INTEREST

(REAFFIRMED)

WHEREAS, With Surface Transportation Board (STB) reauthorization legislation possible this year, Congress has the opportunity to rein in the power that mega-rail carriers exercise over workers, shippers and communities. Workers' rights and job security must be enhanced, safety must take on added importance, and Congress must end the outrageous practice of discarding private union contracts at the mere request of merging railroads. Unfortunately, the STB has typically adopted and implemented policies that ignore these concerns and the effect they have on railroad employees and the overall public interest; and

WHEREAS, Since the passage of the Staggers Act in 1980, the nation has witnessed an unprecedented consolidation in the rail industry that has left thousands of workers out of jobs and has vested unprecedented market power with a few mammoth rail carriers. While the STB has a statutory obligation to consider "the interests of rail carrier employees" affected by proposed mergers, not a single proposed transaction has been rejected or significantly altered because of employee concerns. Workers are promised generous *New York Dock* benefits, but in reality the railroads fight making these protective payments every step of the way by using long, drawn out legal proceedings to delay or escape fulfilling their obligations to employees; and

WHEREAS, Not only has the STB refused to protect employees, but it has used a tortured interpretation of law to cancel out collective bargaining agreements made between employees and railroads who later argue that the agreement interferes with a pending merger or acquisition. The STB has extended its authority to justify almost any change that the carriers request even if it is far removed from what is required to complete a transaction. If the nation's rail carriers want to make changes to private collective bargaining agreements, then they should do what every other company with a collective bargaining relationship must, sit down with the employees and negotiate an agreement. Transportation labor calls on the Congress to finally put a stop to the practice of a federal agency trampling on the private contract rights of thousands of taxpayers who work on America's railroads; and

WHEREAS, We are also concerned about the lack of attention that has been paid to ensuring that rail transactions are completed in a manner that will not jeopardize the

safety of workers and the public at large. We need only look at the problems that Union Pacific experienced as it attempted to complete its merger with Southern Pacific to understand the terrible impact a merger can have on safety. The STB has recently entered into rule making designed to ensure that the safety concerns of rail transactions can be fully evaluated before approval is granted. While we support imposing new safety requirements on merging railroads, we suspect that there will be attempts to weaken this rule by excluding certain transactions or limiting the amount of information that rail carriers must provide. It must be recognized that the STB has an obligation to ensure that the transactions it approves, regardless of the size or type of applicant involved, will not put workers or the general public at further risk; and

WHEREAS, Shippers and their employees who are dependent on rail transportation also find themselves at the mercy of virtual rail monopolies. Transportation labor has long maintained that the reduction of competition in the rail industry causes devastating job cuts, harms the economy and communities, and is contrary to sound transportation policy. The massive consolidation also threatens the motor carrier sector where hundreds of thousands of our Brother and Sister Teamsters are employed. While operators in competing transportation modes fight over market share, the gains on one side always come at the expense of workers on both sides as carriers play the cut throat game of downsizing and squeezing more out of fewer employees; and

WHEREAS, As rail mergers and other transactions continue to reduce transportation options and market power is further concentrated, it is increasingly important that the role of the STB be reexamined. While transportation labor continues to evaluate proposals to increase competition or address shipper-carrier issues, we know from first-hand experience that massive and unrestrained consolidation in the railroad industry without regard to the needs of shippers, communities and employees, and to the transportation system itself, has been disastrous. We will continue to be mindful of this fact as Congress considers rail competition proposals; and

WHEREAS, Some have suggested that the STB, as currently structured, is simply incapable of fulfilling its public interest obligations and should be disbanded with its responsibilities parceled out to other government agencies. While this is not a new proposal, it has surfaced again because many believe the STB may have outlived its purpose or is too close to the industry that it is charged with overseeing. Transportation labor is seriously examining such a proposal. Meanwhile, to help guard against potential conflicts of interest, we propose that STB members be subjected to a "revolving door" policy curtailing their participation in the industry once their service terminates; and

WHEREAS, It is clear that Congress must take every opportunity to force the STB to perform its statutory responsibility to protect the public interest and ensure that protections embodied in statute are carried out in practice, and that voices other than

railroad executives are heard. Workers, shippers, communities, and state and local governments deserve nothing less; Therefore, be it

RESOLVED, That the delegates of the Second Regular National Division Convention of the Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters direct the National Division President to urge all U. S. Representatives and Senators to introduce and/or support legislation that will put a stop to the Surface Transportation Board's practice of granting the carriers the authority to make wholesale changes to privately negotiated labor agreements; and, be it further

RESOLVED, That this legislation include provisions that would require the Surface Transportation Board to use the same standards for reviewing mergers as the Justice Department uses when reviewing mergers in other sectors of private industry; and, be it further

RESOLVED, That Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters will work with the rest of rail labor to promote any non-violent means necessary to promote legislation that would rein in the power of large railroads; and, be it further

RESOLVED, That Brotherhood of Maintenance of Way Employes Division of the International Brotherhood of Teamsters will advance the views expressed in this statement to the current Administration and to the House and Senate authorizing committees.

RESOLUTION NO. 28

RE: NATIONAL TRANSPORTATION STRIKE FOR COLLECTIVE BARGAINING RIGHTS AND JUSTICE FOR TRANSPORTATION WORKERS

(REAFFIRMED)

WHEREAS, The right of American transportation workers to organize unions, bargain collectively and to engage in concerted action is severely restricted, and at times forbidden by the laws of government of the United States and the various judicial and legislative bodies, and that the current imbalance in labor laws which favors organized management needs to be corrected and reversed; and

WHEREAS, This imbalance in labor laws serves to deny workers the right to join unions and further serves to restrict the ability of unions to bargain for our fair share of the tremendous value which we produce; and

WHEREAS, There is a willingness among our elected politicians and judges at all levels of government to function as the servants of organized management and to insure that the laws function in a manner to preserve and enlarge the wealth of our employers at the expense of our jobs, working conditions and standard of living to the extent that if the present laws are not sufficient to protect the money of organized management, these same political servants will pass new legislation or issue new injunctions to insure that strikes are broken and that the transfer of the value produced by our labor is continued without interruption into the accounts of our employers; Therefore, be it

RESOLVED, That the Legislative Department draft legislation that will insure the right of workers to organize and be represented by a union and that this right includes, but is not limited to, card check recognition and the right to submit first contracts to binding arbitration when so requested by the union, the banning of all scabbing and the use of replacement workers, that no worker may be discharged without just cause, repeal of the Taft-Hartley law, criminal sanctions for employers who engage in unfair labor practices and mandatory imprisonment for those individuals who implement such illegal policies, an unrestricted right to strike and other such protections that emerge from our discussions on these topics with our sister organizations; and, be it further

RESOLVED, That this strike be maintained despite any order of any agency or department of the government or the judiciary to the contrary until such time as it is resolved with satisfactory legislation; and, be it further

RESOLVED, That in the event that any court and/or executive agency interprets the law in a manner that conflicts with the clear language of the proposed legislation as interpreted by organized labor or Congress in any way amends or repeals the law without the specific approval of organized labor, that the national transportation strike will resume until the conflict is resolved.
